All series are Monday-Wednesday two-night total point affairs. First team to 97 points wins the series. The highest team in the regular season plays the lowest seed for each round. The 'A' division has four teams and will start on week two of the playoff schedule. The 'B' and 'C' divisions have 8 teams and will start on the first week. The 'D' division has 6 teams so the top 2 teams have a bye the first week, with the bottom 4 teams playing off the first week to see who will make it through to the second round. Note: Should a tie occur at the end of regular play on Wednesday night, then the first round on BOTH sides must be replayed. If still tied, then the second round will be replayed, and so on until a winner is determined. Make sure your players know not to leave early if the score is close and there may be the possibility of a tie!
